

Devotion Over Duty

"Lord, You've given me a new life in Christ. I desire to dedicate my life to You, not out of obligation, but from a genuine desire. Please forgive me for not seeking You first and in all things. I want to gather together with the body of Christ, yet sometimes I prioritize earthly things above this. I allow the duties of life to get in the way of worshipping. Please help me see anew the benefits for building my relationship with You along with my sisters and brothers in Christ. It's in hearing, reading, studying, listening, memorizing, and speaking Your Word, I want to be found. It's also in helping, assisting, giving and serving, others I want to be found. Lead me by Your mighty hand to be more like You each day. Help me to balance worship and work, devotion and service, love of You and love of others."
