Sunday Ministry Partner Sign-up Process

Our Sunday morning Service Team Leader positions are scheduled through Planning Center. We are using a tool in Planning Center called "Sign-up-Sheets". Rather than the office scheduling, now you will be able to choose which Sundays/services you'd like to serve.

At the beginning of each month you will receive an email asking you to select which Sundays you would like to serve. These dates will be saved in your Planning Center account and you'll receive reminder emails as the date approaches.

We know that some of our married couples that use Planning Center share the same email address. If you do, here's what we need ONE of you to do: (One of you may keep your current password, but the other needs to create a new one). Enter the link to get to the sign-in page of Planning Center at <https://accounts.planningcenteronline.com>. Type in your email address and click the checkmark button. Remember, if you share an email address with another Planning Center user, you must keep track of which account you're accessing when you are signing up or making changes to your schedule.

For more details on how to get more involved, see the bottom of the website home page. There is a short video to assist you in how to sign-up. Contact the Church Office with any additional questions.

Sermon Archive

If you are unable to join us in-person or via livestream worship at the times available, don't worry, the entire sermon is uploaded after 1:30 pm the same day. Simply visit rslcs.org under "Sermon Archive" and all previous services are available to view at your convenience.

What Are Stephen Ministers?

Stephen Ministers are laypeople trained to provide on-on-one, Christ-centered care. They have a compassionate heart for those who are hurting and they're equipped with caring ministry skills by their congregation's Stephen Leaders. Contact Pastor Mark at mark.hoffmann@rslcs.org for more information.

A flower chart binder is available in the South Building as you head towards the Fellowship Hall AND at the Welcome Desk in the North Building. Select an available date to remember a loved one or a special occasion. Sign-up to reserve your date, cost is \$40.00.

Do you LOVE Risen Savior?

If so, spread the word...leave a review on Yelp or Facebook so others know a little more about us and that we are your church home!

We believe that every student should have the opportunity to receive a Christian Education.

We see a future where **no Arizona family can say**, “We wish we could put our children in a Christian School, but we just can’t afford it.”

ACSTO exists to give students the opportunity to attend a private Christian School. We have the privilege of being able to do this by transforming tax credit donations into valuable tuition scholarships—helping families afford a private Christian Education for their children.

Everything we do is geared toward making Christian Education affordable for families. We are committed to going **above and beyond** to make that happen.

We strive to make the process as easy as possible by partnering with you—whether you’re a donor, a family, or a school. That’s why one of our pillars is to always be available. Tax credits can be confusing, that is why we are here to serve you—call us, email us, or ask an ACSTO School Coordinator.

It’s not enough for us to just award scholarships—we want to **equip parents with what they need to fully take advantage of the Private School Tax Credit Program**. We’re constantly developing new resources for you to utilize. Our Marketing Team is available to provide Parent Workshops, attend school events, answer questions, as well as brainstorm new ways to support all our partners.

Above all, we are committed to being a good steward of our resources. Arizona law requires that 90% of all donations be awarded as scholarships. To better serve our families, **we award 92% of all donations as scholarships, using the remaining 8% for our operating expenses and reinvesting into generating even more donations for our schools through education and resources.**

Although you may know all the right answers, they don't always feel right. This Bible Study book provides a personal study experience for this video-driven women's Bible study. Explore these and other questions in this realistic look at the messy, mysterious uncertainties of faith. God's ways don't always make sense, but He is trustworthy. Come close to Him. Trust Him more than your feelings. God will reveal Himself and fill in your missing pieces.

12/11 Joy, pray that our hearts will be filled with the same Joy that the shepherds felt as the angels declared the birth of our Savior.

12/18 Love, pray that we show God's Love in all that we do and say.
