It's hard to believe but the Holidays are just around the corner. You are encouraged to send a Christmas card to your friend in La Cuchilla. It seems early, but we need to give ample time to the HopeChest staff in Guatemala to translate, print and deliver your card(s) to your friend(s). You will find detailed instructions and the card link on our website, www.rslcs.org/ministries/missions.

1. We will be using the same Christmas card format as last year. The card link/PDF is on the website.
2. In order to give the HopeChest Guatemala staff ample time for translation, printing, and distribution, cards should be emailed directly to Guatemala using the following email address: guatemala@hopechest.org **Cards should be emailed no later than November 1, 2021.**
3. Last year some folks had a problem inserting their picture into the Christmas card format. In the event that this happens, the completed Christmas card template and the picture should be attached to the email when sending it to the Guatemala staff. It's important to enter the child's ID number in the field provided on the card.
4. If you have any questions, call Bob at 480.249.0720.

We believe that every student should have the opportunity to receive a Christian Education.

ACSTO exists to give students the opportunity to attend a private Christian School. We have the privilege of being able to do this by transforming tax credit donations into valuable tuition scholarships—helping families afford a private Christian Education for their children.

We see a future where **no Arizona family can say**, “We wish we could put our children in a Christian School, but we just can’t afford it.”

Everything we do is geared towards making Christian Education affordable for families. We are committed to going **above and beyond** to make that happen.

We strive to make the process as easy as possible for you by partnering with you—whether you’re a donor, family, or a school. That’s why one of our pillars is to always be available. Tax credits can be confusing, that is why we are here to serve you—call us, email us, or ask an ACSTO School Coordinator.

It’s not enough for us to just award scholarships—we **want to equip parents with what they need to fully take advantage of the tax credit program**. We’re constantly developing new resources for you to utilize. Our Marketing Team is available to provide Parent Workshops, attend school events to answer questions, as well as brainstorm new ways to support all our partners.

Above all, we are committed to being a good steward of our resources. Arizona law requires that 90% of all donations be awarded in scholarships. To better serve our families, **we award 92% of all donations as scholarships, utilizing the 8% for our operating expenses and reinvesting into generating even more donations for our schools through education and resources.**

Sunday Bible Study with Barry Ritchie Paul's First Letter to Timothy

Last Study is November 28

Sundays at 9:05 am OR 10:10 am in the Multi-Use Room.

Who was your role model when you were growing up? Was it one of your parents, an uncle, or an older sister? Or was your role model someone you'd never met, like an astronaut or an Olympic athlete?

Our role models give us insight into what exactly our values are and, like it or not, often we find ourselves unknowingly serving as a role model for someone else – a child, a co-worker, or a total stranger. It's understandable that a strong figure like St. Paul was a role model to many people, but he especially served as a role model and mentor to Timothy. Now Timothy also had other role models: his mother, Eunice, and grandmother Lois were Jewish believers who helped shape his life and promote his spiritual growth (2 Timothy 1:5; 3:15). But Paul served that role for Timothy.

Timothy also has a special importance to us: He was the first "second generation" Christian mentioned in the New Testament and he became pastor of the church at Ephesus. As a young minister, Timothy faced all sorts of pressures, conflicts and challenges from the church and his surrounding culture. To counsel and encourage Timothy, Paul sent a very personal letter to remind and guide him as he faced challenges: **First Timothy**. This Bible study will dive into this letter to discover what values we should seek to model to the world as members of our community of faith here at Risen Savior. Led by Barry Ritchie, this 7-week study will show that First Timothy holds many lessons for us. The book we'll use from the Life Application Bible Study series will be available for purchase \$8.00 (the same book will be utilized in the Spring when we look at Second Timothy and Titus). Everyone is welcome. Come prepared to learn and participate.

Sunday Ministry Partner Sign-up Process

Our Sunday morning Service Team Leader positions are scheduled through Planning Center. We are using a tool in Planning Center called "Sign-up-Sheets". Rather than the office scheduling, now you will be able to choose which Sundays/services you'd like to serve.

At the beginning of each month you will receive an email asking you to select which Sundays you would like to serve. These dates will be saved in your Planning Center account and you'll receive reminder emails as the date approaches.

We know that some of our married couples that use Planning Center share the same email address. If you do, here's what we need ONE of you to do: (One of you may keep your current password, but the other needs to create a new one). Enter the link to get to the sign-in page of Planning Center at <https://accounts.planningcenteronline.com>. Type in your email address and click the checkmark button. Remember, if you share an email address with another Planning Center user, you must keep track of which account you're accessing when you are signing up or making changes to your schedule.

For more details on how to get more involved, see the bottom of the website home page. There is a short video to assist you in how to sign-up. Contact the Church Office with any additional questions.
