BUILDING UPDATE

Progress on the north building is moving along quickly. The parking around the Administration building is complete and being used. Inside the building, all the rooms are painted and all the tiles have been installed. The commercial kitchen is 90 % installed and most of the plumbing fixtures have been installed and are functioning. Inside the Worship Center, work has begun on the wall behind the platform and the tech booth is built. The building now has electricity and all the lighting except the lobby and Worship Center has been installed. The inner structure of the large cross outside the main entrance has been installed and is ready for the finished exterior. Over the next few weeks more sidewalks will be poured and work will continue on getting the site ready for the parking lot. Inside the climate control systems will be brought online and work will be done on the audio and video in the building. We are still hopeful to be worshipping in the new building in December!

Arizona Christian School Tuition Organization

(ALSO Merged with this organization in the Spring of 2020)

We believe that every student should have the opportunity to receive a Christian Education.

ACSTO exists to give students the opportunity to attend a private Christian School. We have the privilege of being able to do this by transforming tax credit donations into valuable tuition scholarships—helping families afford a private Christian Education for their children.

We see a future where **no Arizona family can say**, “We wish we could put our children in a Christian School, but we just can’t afford it.”

Everything we do is geared towards making Christian Education affordable for families. We are committed to going **above and beyond** to make that happen.

We strive to make the process as easy as possible for you by partnering with you—whether you’re a donor, family, or a school. That’s why one of our pillars is to always be available. Tax credits can be confusing, that is why we are here to serve you—call us, email us, or ask an ACSTO School Coordinator.

It’s not enough for us to just award scholarships—we **want to equip parents with what they need to fully take advantage of the tax credit program**. We’re constantly developing new resources for you to utilize. Our Marketing Team is available to provide Parent Workshops, attend school events to answer questions, as well as brainstorm new ways to support all our partners.

Above all, we are committed to being a good steward of our resources. Arizona law requires that 90% of all donations be awarded in scholarships. To better serve our families, **we award 92% of all donations as scholarships, utilizing the 8% for our operating expenses and reinvesting into generating even more donations for our schools through education and resources.**

Piece Maker Quilters-RSVP

Two Sessions on Wednesday's in the Fellowship Hall.

First session is from 9:00 am - 12:00 pm and second session is 1:00 pm - 4:00 pm.

While piecing fabric together, the Piece Maker Quilters strive to share the peace, love and salvation of Jesus Christ with those in need of comfort through a warm quilt or hat.

Wednesdays you can still find us splitting into two groups so we can continue social distancing. The two sessions are: 9 to noon and 1 to 4. If you are interested in joining us, please call Sandra Devine so we can keep the groups small. We continue to wear masks while quilting.

Recently we have donated 12 quilts to Maricopa Police/Advocacy Center and 36 quilts to Salvation Army. Last month 21 quilts (not 17 as previously listed) were donated to *Time Out* in Payson, AZ.

THANK YOU to all who have donated sewing supplies such as cotton blend fabric, unstained sheets in good shape and yarn. We are especially in need of sheets at this time! We appreciate all donations! With funds from the Annual Quilt Sale, we are able to purchase additional sewing supplies to round out our needs. Please know that we welcome all who enjoy working together to create cozy, colorful quilts to share with those in need. If there are any questions, call Barb 602.565.7137 or Sandi .480.202.5772.

children's
hopechest

June and July Report: La Cuchilla is a small village with a population of 500 people. The CarePoint operates out of the local public school and is led by the school staff, parents of the students, and the local community government. Most children don't finish school because they work with their parents during the harvest season to help support the family. The families lack resources to feed their children, resulting in malnourishment. The people in La Cuchilla are willing to work, and with the support of the school and local government there are opportunities for projects and programs to empower the community, improve education, and invest in the lives of the children .

SUCCESS STORY FROM THE MONTH

Edgar is a 9 years old boy. His parents are teachers from other school in the same community. Paola, his mother, has been supporting the CarePoint as a volunteer. Edgar is not going to the CarePoint because of the COVID-19 restrictions. However, his mother wanted to keep serving her community through the Carepoint. Now, she is one of the volunteers who helps when help is needed. We are grateful for Paola and her family. We trust God will keep touching more parents' hearts, and they will join the Carepoint to serve the children and the community similar to what Paola is doing.

"Blessings to Hopechest and HopeChest Friends. My name is Paola and I'm one of the teachers in the community, from Canton Quila Public School. I teach 7th grade. My students are part of the Carepoint, and I'm grateful for that. My son is also part of the program. Your support started in the community just in time. We feel blessed to partner with you to serving the community." Paola

In July, we distributed school materials for 204 children. This is to keep supporting their educational development during the Coronavirus lock-down. Since March 15th, schools have been closed which affected the children's personal development. The government sends some school materials to them so that they continue studying at home. However, not all of them have access to TV or internet connection to attend the virtual classes.

At La Cuchilla Carepoint, we are blessed to have teachers supporting the CarePoint staff. The leadership and volunteers decided to put their gifts and talents to serve the children. They developed school worksheets to help the children's learning. The Carepoint gave school supplies and bags with the school material for 204 students. The staff followed up with the students through calls, videos and pictures. Now, parents and teachers are working together to keep supporting the children. We plan to keep sending the school material to the children on monthly basis until schools are reopened.

"Hi prayer friends, I hope you and your families are doing well. I want to thank God for the school materials. Since we cannot go to school, this helps me keep studying at home. Now, I have the opportunity to keep learning new things from home! Thank you for your support to our families! During this pandemic season many people have lost their jobs and could not provide food to their families. My family and I are very grateful! We hope this pandemic goes away soon. God bless you and keep you safe!."

Hooks and Needles Ministry Update

Starting November 3 from 10:00 am—12:00 pm on the Patio.

We are excited to announce that we will be reconvening in November. In light of the current Covid-19 situation, we will be meeting outdoors on the patio. We will practice social distancing by having each person at their own table wearing a mask. Hand sanitizer and masks will be available. Please join us. If you are still not comfortable in coming you are more than welcome to drop off your strips to be sewn into blankets, and/or pick up yarn. We will also be accepting donations of yarn to make afghans to donate to the Salvation Army. These will then be distributed to homeless people.

To listen to their weekly program: Visit their website at lhm.org; Scroll down on the webpage to "This week on TLH", then scroll further to "Listen Now" and enjoy daily devotions and the broadcast each week.

Sunday Ministry Partner Sign-up Process

Our Sunday morning Ministry Partner positions are scheduled through Planning Center. We are using a tool in Planning Center called "Sign-up-Sheets". Rather than the office scheduling, now you will be able to choose which Sundays/services you'd like to serve.

At the beginning of each month you will receive an email asking you to select which Sundays you would like to serve. These dates will be saved in your Planning Center account and you'll receive reminder emails as the date approaches.

We know that some of our married couples that use Planning Center share the same email address. If you do, here's what we need ONE of you to do: (One of you may keep your current password, but the other needs to create a new one). Enter the link to get to the sign-in page of Planning Center at <https://accounts.planningcenteronline.com>. Type in your email address and click the checkmark button. Remember, if you share an email address with another Planning Center user, you must keep track of which account you're accessing when you are signing up or making changes to your schedule.

For more details on how to get more involved, see the bottom of the website home page. There is a short video to assist you in how to sign-up. Contact the Church Office with any additional questions.

Be You, Be Well, Belong-Women's Ministry

We are continuing to meet virtually through video studies, devotion videos, word of the week, question of the week and verse of the week. Details about our new Bible Study are below. If you would like to join, contact Annie at womensministries@rslcs.org. Let's stay connected in creative ways until we can see each other again!

Women's Zoom Bible Study

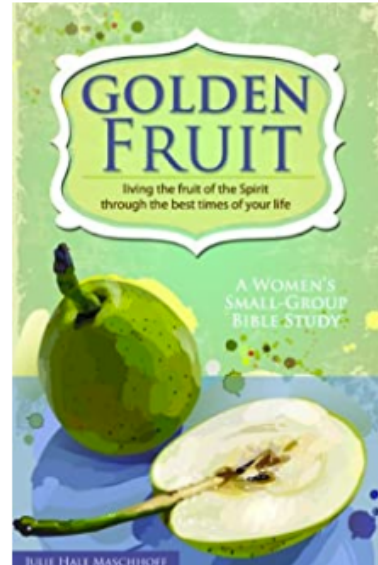

Wednesdays at 9:30 am- RSVP

"Living the fruit of the Spirit through the best times of your life." We are called to be daughters and wives, sisters and friends, mothers and grandmas. We are called to be volunteers, employees, citizens and leaders. As we fill these various roles, we are to be intuitive, creative, persistent, supportive, and productive.

Is it any wonder that we may also be tired and crabby?

This nine-session Bible study helps the Christian woman put all of these roles, characteristics and emotions into perspective. Each session focuses on one fruit of the Spirit and considers how the lives and stories of nine biblical women convey that characteristic. As you study women like Esther (self-control) and Dorcas (goodness), Ruth (love) and Elizabeth (joy), you'll see how God is at work in your life too and how His promise of salvation and peace through Jesus are fully yours all the time."

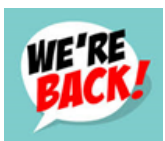

RSVP to womensministries@rslcs.org.
